April 7th and 21st - 1:00PM Only

Lynch Creek Farm Cabin - Reservations Required - Limited Seating

• Local, sustainable and organic foods • Philadelphia style with Carolina character •

Your strong response to our Sunday Brunch offerings so far this year has prompted us to begin scheduling two Sunday Brunches each month. Seating is limited to 20 inside our Cabin until the weather improves when we can expand seating outside onto our back porch and accommodate 36.

Reservations are required. The fee is \$15 per person. We have sold-out quickly and have wait-listed folks hoping to attend should cancellations occur.

Call or email to reserve a table for Sunday April 7th and/or April 21st at 1:00pm only.

Since all BreadWorks Events are private (for Ben Franklin Society members only), current 2013 BFS membership is required. An annual Associate Membership in the Society may be purchased at the door for \$5 per person which entitles you to participate in this, and all upcoming Society activities held this year.

Monies raised by this Event support ongoing Ben Franklin Society Projects that benefit the residents of Franklin and surrounding Counties. For more information, visit our website at www.BenFranklinSocietyNC.org

Bring your friends and introduce them to a great time for a worthy cause. Do this while listening to some relaxing music and conversing with friends.

Ben Franklin Society NEWS

The Ben Franklin Society is a collection of independent Research Projects.

Society Members work individually, or in collaboration with others, on Projects of their choosing.

The Society meets Quarterly, but each Project maintains its own activity schedule.

At each Society Meeting, Project Leaders make presentations on the status of their Research Projects.

All Projects are encouraged to utilize computer technology to assemble, communicate and publish their findings.

2013 Colonial Hearth Day Planned

Project Manager, Dr. Peggy McGhee

Thanks to your support and contributions in 2012, we completed our first and thus far most ambitious project - a huge success and tribute to the commitment of our membership to the mission of the Ben Franklin Society.

On Friday, October 26th, about one-hundred 4th Grade Franklinton Elementary School students arrived at Peggy's Farm in Franklinton to immerse themselves in 4-hours of "Colonial Life". Volunteers in period costume staffed twelve Learning Stations that small groups of students transited in 15-minute intervals. Experts demonstrated such skills as: Open Hearth Cooking, Herbs and Apothecary, Soap-making, Needlework, Keeping the Harvest, Our Indian Neighbors, Blacksmithing, Wood Wright, Merchant, and Beekeeping

See our website at www.BenFranklinSocietyNC.org to download a 4-page article written by Marion Blackburn to augment the coverage graciously provided by The Franklin Times and Wake Forest Weekly.

Planning activities are underway to repeat this Event in 2013.

The Ben Franklin Society funds its Projects, but also seeks outside Grants on their behalf. We raised over \$1400 at BreadWorks Events in 2012.

We also secured an \$800 Grant from United Way of Franklin County and a \$500 Grant from Novozymes for Peggy's Project.

To find out more about us, visit our website, attend a quarterly meeting, or come and enjoy a future BreadWorks Event.

SUPPORT OUR COLLABORATING MEMBER ORGANIZATIONS

Non-Profits (and Corporations) are joining the Ben Franklin Society (BFS) to provide "blanket" Associate Member status for their staff, membership and employees - individual membership dues are waived. Associate members can participate in any BFS activity of their choosing. For example, Franklin BreadWorks Dining and Entertainment Events are scheduled monthly, year-round, and provide a unique social environment where members can meet informally with others, or choose to comfortably spend time with their invited guests. The Lynch Creek Farm Log Cabin (and Grounds) serves as the headquarters and venue for all BFS activities. The Log Cabin also serves as a full-service, Business Meeting Center with excellent computer and telephone connectivity. Please support the following organizations. Build new working relationships. Leverage our collective efforts to improve Franklin County.
