We are collaborating with 92Y (The 92nd Street Y in New York City), the Hoover Institution (Stanford University) and Citizen University (Seattle, WA) and have become a "BEN FRANKLIN CIRCLE" - a new nationwide initiative they formed to promote the "13 Virtues of Ben Franklin" originally conceived in 1727 and which Ben Franklin saw as a basis for self and community improvement. Our Society was approached to support this initiative, and we have agreed to do so. Find out more by using these website links:
