BEN FRANKLIN SOCIETY
FUND-RAISING EVENTS

OCTOBER 2016

FELLOW SOCIETY MEMBERS -

I have scheduled the return of Sunday Brunch on October 16th and our last-of-the-season Tomato Pie Buffet with Cabin Front Porch Music on the 22nd. Our recent BreadWorks Survey made it abundantly clear that most people experience the Ben Franklin Society when they are accompanied to a BreadWorks Event by a Friend. So Society Members, please continue bringing your Friends!

BreadWorks continues to offer our Members a monthly schedule of Dining and Entertainment Events in keeping with what you have come to expect - memorable social activities that build strong friendships the Ben Franklin Society way - "by bringing people together, face-to-face, to improve ourselves and the world around us."

We are a private club, open to Ben Franklin Society Members. Everyone is welcome to join our Society and you can always purchase a membership at the door. Your support of BreadWorks helps fund our Community Service Projects that "enhance the educational, cultural and economic development of Franklin County by leveraging its natural and historic resources." See you there?

FRANKLIN COUNTY EARLY COLLEGE HIGH SCHOOL

The Franklin County Early College High School (FCECHS) is a collaborative partnership of the Franklin County Schools and Vance-Granville Community College. It is a result of Governor Easley's *Learn and Earn Early College High School* statewide initiative which is co-sponsored and is a partnership with the North Carolina Department of Public Instruction and the North Carolina New Schools Project. FCECHS is an autonomous, small high school for grades 9-13. Upon completion of the five year program, students will graduate having earned a North Carolina High School Diploma and a two year Associates Degree and two years (60) hours of transferable college credits.

FCECHS currently serves 192 students.

There are 10 staff members: Erica Shoulders-Royster (Principal), Allison Brown (Counselor), Sally Alston (Secretary), Kara Alexander (Math Teacher), Cristina Gaines (Math Teacher), Ari Goldberg (English Teacher), Elizabeth Grothmann (English Teacher), Michael Grothmann (History Teacher), Sanjana Sharma (Science Teacher), and Clennie Wilkins (Remediation Tutor) serving at FCECHS, including the principal. The staff works exceptionally hard and is striving to become an "A" school this year! We are appreciative for our FC Educational Foundation partnership with the Ben Franklin Society, and looking forward to our relationship strengthening over the years!

BEN FRANKLIN SOCIETY

FRANKLIN COUNTY EDUCATIONAL FOUNDATION "ADOPT-A-SCHOOL" SPONSOR

We are requesting your HELP to begin providing Resources that are needed by our "Adopted School" - the Early College High School (ECHS).

We have begun to assemble a List of Industry Professionals that can speak with students about Career Opportunities and Internships. An integral part of the ECHS is to help prepare students by exposing them to the many Professional fields that exist today. Your personal stories and insights into how you made Career choices in your life are invaluable.

If you are interested in volunteering, please contact:
Bob Radcliffe at 252-767-1167.

We also are asking Society Members to donate the following Teaching Resources which are in short supply:

Books and Dictionaries for the ECHS Library

Dry-Erase Markers and Erasers

Pencils and Pens

All Donations will be accepted at our Society Headquarters—the Log Cabin at Lynch Creek Farm.

Contact Bob Radcliffe to schedule a drop-off, or simply bring your items to any BreadWorks Event. Please help us to fulfill our Ben Franklin Society commitment to "Sponsor the Franklin County Early College High School."
