### WAITED-DINING SERVICE RETURNS

We are returning to our long-standing Policy of waited-service at all BreadWorks Dining Events. Referrals from ECHS Principal, Erica Shoulders-Royster and Society Member, Peggy Concannon made this possible. Our support of local students now extends beyond the classroom. **Welcome BETHANY LEE and LUCY KETTERER** - both academically gifted, High School students - when you attend your next BreadWorks Event.

### FRANKLIN COUNTY EARLY COLLEGE HIGH SCHOOL PROJECT

We provided Grant Writing help for ECHS Teachers in 2018, but unfortunately were unsuccessful pursuing two CenturyLink Grant Applications - one by Math Teacher Katelyn Jones and the other by Science Teacher Sanjana Sharma.

We have completed all outstanding project initiatives this term: the STEM Garden and a Fundraiser for Elizabeth Grothmann's DC Class Trip. We still must solicit preliminary landscape plan ideas for the outdoor median area (See PAGE-3).

### ECHS CLASS TRIP UPDATE

English Teacher, Elizabeth Grothmann, spear-headed the school's first Class Trip to DC on May 4-5th. Our April 21st, Class Trip Fundraising Event, organized by Kerry Carter and Linda Lamb, raised \$1200 with help from musicians Stella Jones and Doug Ross and others. Special recognition to Linda Lamb for soliciting a \$500 Donation.

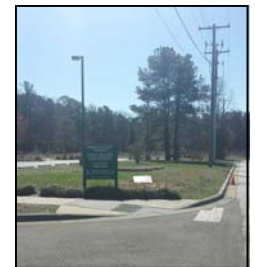

### STEM GARDEN UPDATE

Now that ECHS is on its annual Summer Break, we will be clearing the raised-beds and covering them with black plastic to eliminate any unsightly weeds until classes resume in August - at which time, a Fall Planting Schedule will be established. Because the original soil used in the beds was "manufactured soil" consisting only of compost and sand, we experienced virtually no issues with weeds so far this year. Composting, when done correctly, eliminates all seeds that otherwise would typically sprout as "weeds". Our approach of spraying Round-Up on the perimeter of the Raised-beds, and covering the area with ground cloth and a thick layer of wood-chip mulch worked well also.

### ECHS MEDIAN LANDSCAPE PLAN

Kerry Carter is working with Tim Hanauer of Triangle Land Art to assemble a preliminary plan to improve the utility and beauty of the Median area between ECHS and VGCC. Our goal is to maximize the use of the median and create a landscape design that can be implemented over time. We hope this initiative on our part will begin a discussion on the merits of the plan, and ultimately receive approval by the FCSS.
