### ABOUT YOUR ONLINE BAKERY

Something quite innovative for sure! Odd as it may initially seem, by combining a low-tech, wood-fired oven bakery in a rural setting, with a high-tech online ordering system and suddenly the economics of our Online Bakery clicks - online pre-paid orders only; an advertised monthly bake schedule; brick and mortar business partners who provide convenient local pick-up sites while gaining new walk-in customers; bake-to-order minimizes waste; no mark-downs or consignment deals that cut revenues and drive-up our expenses. So folks, Bob's idea isn't that crazy after all. Marcia and I plan to reliably provide unique, high quality products. Sounds like American innovation at its best to me! Use your Smartphone, iPad or Laptop Computer to place an Order - any day, any time. - and note that a Ben Franklin Society Membership is NOT REQUIRED to make a Bakery purchase.

Follow us on Facebook at "Bakery at Lynch Creek Farm" to be notified about our monthly bake schedule.

Order online at [www.lynchcreek.com/store](http://www.lynchcreek.com/store) with your smartphone, iPad or notebook.

For starters, we have partnered with four small businesses to serve as local Pick-up Sites for the delivery of your Artisan Bread Orders. They are strategically located in Henderson, Louisburg, Youngsville and Wake Forest.

### YES, BOB DID BUILD THE WOOD-FIRED OVEN

Use the following link to view a slideshow documenting how Bob constructed his Wood-fired Oven:

<https://lynchcreek.com/wp-content/uploads/2015/05/Cabin-Oven-Photo-Album-Rev.pdf>

Bob began construction of the Oven in the Spring of 2008, and completed it in the Fall of 2011. A Wood-fired Oven is not a Fireplace. Check-out the location of the Chimney Flue, and how the Oven is sealed-off by the removable door.
