MEET CHEF MARCIA "BRADY" KLINDER-BADGLEY

From performing on concert stages throughout the United States, Europe, Scandinavia and Asia...to lecturing California college students on Humanities/Religion/Music...to cheffing at a log cabin in Rocky Ford... who knows where life's journey leads!

As a newbie to the South, each day is filled with excitement about this wild and crazy world. Throughout my life, food - from the seed to the plate -

has been a passion. For years, between concertizing, academia and hiking/kayaking, I worked in various culinary settings—restaurants, cafes, catering, wine bars, breweries, natural food stores, farmers markets. Only after moving to North Carolina did I actually attend (and graduate!) from culinary school, where I was unanimously nominated by the Culinary Arts faculty to become a member of Eta Sigma Delta - the International Hospitality Management Honor Society.

Once a "sit in the background and take in all the action from the sidelines" event-attending member of the Ben Franklin Society, it's terrific to now be working "on the front lines" with Bob here at the BreadWorks and the Lynch Creek Farm Artisan Bakery!!! - mkb

NEW BREAD PRODUCTS COMING IN SEPTEMBER

We plan to introduce 1-2 New Breads in September that will address requests we have received for something "sweet". Don't hesitate to tell us what types of Bakery Products you prefer - Email bakery@lynchcreek.com

PAYPAL ADVANTAGES

Initially, the Bakery will only accept Online Payment using PayPal. Let me explain some Advantages of using PayPal. PayPal Personal Accounts are free. They are secure and password protected. PayPal consolidates your Credit, Debit, Bank and PayPal Balance Account information in one place. Once you register your payment preferences with PayPal, thereafter, you simply select a Payment Method (with a Radio Button) to make an Online Payment. You never have to re-enter your sensitive Account Information again, thus minimizing the likelihood of theft when making Online Purchases. Transfers of money between your PayPal Accounts, and to other PayPal users, is also free of all fees.

"YOUR PREFERRED PAYPAL WAY"

Think about your PayPal Account Balance as a Bank Checking Account Balance. You can "Deposit" money into your PayPal Account by transferring funds from your registered Bank Accounts. If you Pay for a purchase using your PayPal Account Balance, the Bakery **IS NOT CHARGED A FEE**; however, when you elect to Pay using a Credit Card, the Bakery **IS CHARGED 2.9% OF YOUR PURCHASE AMOUNT PLUS A \$0.30 FEE**. Please understand that profit margins selling bread are quite small. Help us when using PayPal. Pay using your PayPal Account Balance if possible. Thanks!
