"The Ben Franklin Society performs a collection of independent Research Projects"

"Society Members work on Projects of choice either individually, or in collaboration with others"

"The Society meets twice yearly, while Projects maintain their own activity schedule"

"The Society provides funding, promotion and staffing assistance for all Projects"

"Project Leaders make presentations about their Research Projects at semi-annual Society Meetings"

"Project Leaders are encouraged to utilize computer technology to assemble, communicate and publish their findings"

SEPTEMBER CABIN BOOK & MEDIA CLUB / BEN FRANKLIN CIRCLE

Our Cabin Book & Media Club has grown to over 20 members who share a love of reading and literary endeavors. Our monthly Club Meetings have consistently good attendance. Read our selection, join us for a lively and challenging book discussion, with wine and hors d'oeuvres!

OUR NEXT BOOK CLUB MEETING - **TUESDAY, SEPTEMBER 18TH AT 3:30PM - LYNCH CREEK FARM CABIN**

"PEOPLE OF THE LIE" BY M. SCOTT PECK

TO JOIN, CONTACT KERRY CARTER AT 267-973-8143

"DONORSCHOOSE" FUNDRAISER BY ECHS MATH TEACHER - KATELYN JONES

We admire Katelyn's commitment and tenacity to pursue Grants and Online Fund-raising approaches to raise the funds needed to replace the TI Calculators she presently must use everyday. Please read in Katelyn's own words, why these Calculators need replacement by visiting this "DonorsChoose" link:

<https://www.donorschoose.org/project/improved-graphing-calculators/3410982>

Feel free to Donate Online, or make an earmarked Ben Franklin Society Donation, to remedy this situation. See the related PAGE-3 article that follows.

"RIVER OF YESTERYEAR" - SATURDAY, OCTOBER 20TH - 10:00AM-4:00PM

Society member, Betsy Benning, is coordinating the Town of Louisburg Historic Event "River of Yesteryear" in River Bend Park on the Tar River - Saturday, October 20th from 10:00am-4:00pm.

Betsy asked Lynch Creek Farm Bakery to participate, and we have agreed to donate special Historic Breads for Sale. For complete details about the activities scheduled for this event, visit <https://riverofyesteryear.com/> We are pleased to support and promote other Historic Projects in Franklin County.

NEWS & OBSERVER: "BEST KEPT SECRET IN FRANKLIN COUNTY"

We received the Raleigh NEWS & OBSERVER (N&O) paper contest award as the "Best Kept Secret in Franklin County" in July 2014. The statewide contest selected one Site in each of the 100 Counties of North Carolina. Read the Article online at <http://www.newsobserver.com/2014/07/06/3988523/exploring-the-country-roads-in-n.html?sp=/99/100/&ihp=1>

CIRCA MAGAZINE - BREADWORKS REVIEW

In the 2015 April-May-June Quarterly edition of CIRCA Magazine, The BreadWorks at Lynch Creek Farm was featured in the "Driveable Destinations" column that highlights venues within driving distance of Wake Forest/Wake county, NC. The story is available at <https://wakeforestmuseum.org/2015/05/14/breadworks-at-the-lynch-creek-farm-cabin/>

MEET THE NEW ECHS TEACHERS

Principal Erica Shoulders-Royster is pleased to announce four new Instructors at ECHS: Kerissa Armstead—Science, Lionel Morgan—Math, Sharon Garrett—English and Shanique Terry—English. Returning veteran Instructors include: Michael Grothmann—History, Sanjana Sharma—Science and Katelyn Jones—Math. ECHS now has 180 Students that attend school on a unique schedule that accommodates both the FC High School and VG Community College class calendars. Students take one VGCC course in 9th grade, and by their 5th year (Super Senior), all VGCC courses.

ECHS TEACHER VOLUNTEERS

Consider becoming a Ben Franklin Society ECHS Teacher Volunteer. We pair up each Volunteer with an Instructor at ECHS to better understand what they need "to do their job". Last year the Society provided nearly \$5000 of specific items like software licenses, whiteboards, textbooks, lab supplies, a raised-bed Garden and DC class trip. This year we plan to continue supporting ECHS Teachers! Our recent Volunteer Meeting with Principal Erica Shoulders-Royster helped kick-off new Club involvement initiatives. See Photo (L->R): Margaret Hilpert, Bob Radcliffe, Kerry Carter, Jack Hussey, Linda Lamb, David Wanner (and Sharon Billings).

SOCIETY DONATES NEW MATH CALCULATORS

On August 23rd, ECHS Volunteer, Jack Hussey, presented Math Teacher, Katelyn Jones, with a 10-Pack Donation of new TI-84 Plus CE Calculators. We worked with Katelyn last year to write Grants to replace the existing 10-year old calculators, but were unsuccessful. Katelyn has initiated fund-raising efforts on her own (see PAGE-2) to replace 30 Calculators she sorely needs to do her job! We will work this year to help Katelyn secure New Calculators.

For the second year now, the Society has paired BFS Volunteers, like Jack Hussey, with each ECHS Teacher to learn what they need "to do their job". We only fund ECHS needs that otherwise cannot be satisfied, which are needed by individual Teachers "to do their job", and which directly impact Student educational achievement.

Your Membership Dues and BreadWorks Fund-raising Event support provide the funds needed to make targeted donations like this possible.

SOCIETY "LEAD AND SHARE" INITIATIVES

The raised-bed Garden we built in March 2018 was weeded and re-planted on August 24th to support Science Teachers Kerissa Armstead and Sanjana Sharma. The Garden was initially created to provide an outdoor "Living Lab" for Sanjana's Earth Sciences Class. We will continue expanding the educational impact of the Garden. 1) We are donating a WiFi-enabled Weather Station at ECHS that will record parameters and display forecasts over the internet, and be accessible by anyone with a Smartphone, iPad or Laptop. 2) Another innovative donation - a LabDisc/GlobiLab Science Lab Prototyping Kit - will enable custom

Science experiments to be designed that acquire up to 15 measurable parameters (e.g. temperature, conductivity, dissolved oxygen, turbidity, pH). The data is transmitted wirelessly to a Chromebook Computer that in turn records, analyzes and displays the measurements. Both of these innovations extend the capabilities of the Chromebook Computers we funded in 2017 to guarantee each ECHS Student had a Computer to use, both at school and at home! We will help Kerissa and Sanjana explore how these new tools support STEM teaching methodologies. We also will assist Math Teacher, Lionel Morgan, establish a new ECHS Web Design and Technology Club.

SOCIETY LANDSCAPE PLAN FOR THE ECHS CAMPUS

Volunteer Kerry Carter is spearheading a project at ECHS to create a long-term Campus Landscape Plan with help from Tim Hanauer of [Earth Graphics](#). The goal is to establish an outdoor vision for student use of the limited space surrounding the ECHS Building. The Plan will serve as a starting point for discussion and presentation to the FCSS. The Society will continue to track and advocate for the implementation of Tim's recommendations.

NEW PRODUCT OFFERINGS

We are pleased to expand our Product Line with the addition of "BreadWorks Cinnamon Bread" and "Sunrise Cinnamon Swirls" - in response to Customer comments that we offer something "sweet". For those that have attended Sunday Brunch in the past, Bob included this "Cinnamon Bread" in the Bread Basket Sampler. Marcia has created a "Cinnamon Swirl" to complement your favorite Breakfast Coffee.
