BEN FRANKLIN SOCIETY  
PROJECT REPORT

NOVEMBER 2019

## GRIST MILL INVENTORY PROJECT

**Bob Radcliffe has re-activated this Ben Franklin Society (BFS) Project and is seeking Volunteers to help with Field Inventory and NC Archive Report Preparation and Filing**

Preparatory work began in December 2018, with a visit to NCDCCR in Raleigh, to meet new Archaeology Site Registrar, Rosie Blewitt-Golsch. A Prototype Mill Site filing process has been developed that now enables us to proceed and finally accomplish the goals of this Project that Bob started in 2008.

We successfully completed our first Archaeological Site Filing on December 11<sup>TH</sup>, 2018. The **WHITAKER MILL on Lynch Creek** was assigned the **OSA-ID 31FK165**. Each Site is assigned a permanent Site-ID by the OSA Site Registrar.

As we complete and submit each Final Site Report, we will post redacted PDF versions on our BFS website.

We encourage you to download and review these Site Reports. Learn about the history of your Community.

Our March Field Trips netted missing GPS Coordinates and Photography, so that additional Site Reports could be finalized. Contact Bob Radcliffe to register for the Field Trip you want to attend. We will gather at the Lynch Creek Farm Cabin for a quick orientation before departing for 3-hours.

## FIELD TRIP SCHEDULE

By Appointment until December

## CINNAMON BREAD FRENCH TOAST

To my surprise, I recently learned that my Bread-Works Cinnamon Bread makes outstanding French Toast. Thanks to BFS Member - Donna Wesemann!

It would seem this discovery should not have been surprising to me, but then again, Peter Reinhart was surprised to learn that my Cinnamon Bread is a variant of his famous Ciabatta Bread recipe.

An email I wrote to Peter about this fact, led to establish the professional relationship we maintain to this day.

Throughout history, Bread has always held a special status as a basic food, social catalyst and spiritual metaphor. Strange how Bread works its ways!

## BOB'S PIZZAQUEST ARTICLE

Peter Reinhart has published the second of two Articles Bob has written about his Kummelweck Roll Story. You can find the story using this link [www.pizzaquest.com](http://www.pizzaquest.com)

Bob's latest Article shares his recommendations about how to inexpensively exploit Digital Marketing - akin to our recent Website, Email, SEO, Social Media and Reputation Management upgrades.

Embrace the Technologies! They level the playing field for small businesses! No longer do big businesses hold an unfair marketing advantage.
