WELCOME OUR NEW CABIN STAFF

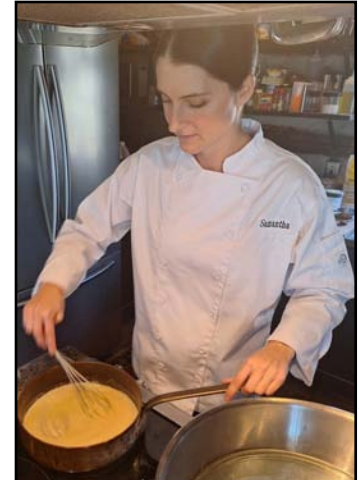

I am pleased to introduce three new members of our Cabin Staff. For those that have attended a recent Sunday Brunch Event, you have already observed Samantha Hoyt working quietly in the Kitchen.

She has a passion for food service that will help elevate the quality and sophistication of your future Dining experiences. We are fortunate to have someone with her commitment and skill set.

Additionally, two exceptional local High School students - Skylar and Addison - have begun training as dining room Wait Staff. Please be patient and helpful to them over the next few months as they work to master their new service skills.

Also, take a moment to introduce yourself and welcome each of them.

BRIEF UPDATE ON BOB SHILES

For over a month now, Bob has been adjusting to his new "normal lifestyle". Thanks to the help of over 40 Society Members, his efficiency apartment has been comfortably furnished.

We have been helping update his telephone, internet and TV services, while providing transportation to essential medical appointments and advice to create a future plan of action.

I work with Bob some each week to slowly get him comfortable using his phone to take pictures and send email with attachments.

I am also teaching him how to use a Chromebook Computer to access the Internet via HOTSPOT WIFI from his Verizon phone plan (with unlimited data). He will soon begin using Google Docs. With practice, Bob will have the tools and skills to once again resume writing (without a typewriter).

We will document and report on Bob's progress in future monthly Newsletters. The Ben Franklin Society Board of Directors will adopt a 2024 Plan of Action that identifies what we can do to help address the Homeless Problem in Franklin County.

Affordable housing is the essential component necessary to resolve the Homeless problem.

We can do better!

CUSTOM BREAD ORDERS

The Bakery now accepts Custom Bread Orders.

Are you planning a Special Event? Fresh-Baked Breads and Rolls can make your event unique!

What Breads or Rolls are needed for your Party?

FREEZE OUR BREADS

I highly recommend that the best way to preserve our Breads is to slice them immediately after pickup, then package them tightly in zip-lock plastic bags and place them in the freezer.

Take out slices as needed and reheat them in a TOASTER or TOASTER OVEN - NEVER MICROWAVE them!

I guarantee the Breads will taste like they just came fresh out of the oven.

They can be kept frozen, if packaged tightly, for an incredibly long time without sacrificing their taste or texture.

Because we are only baking once a month, you can buy larger quantities, and enjoy the Breads throughout the month.
